Subject: Cultural Resources Work Group Meeting Material
Oroville Facilities Relicensing Program
Federal Energy Regulatory Commission Project No. 2100

Enclosed is a copy of the Cultural Resources Goals and Resource Actions Table, reflecting the Cultural Resources Work Group's ideas for resource actions to address agreed-upon cultural resource goals. Through the collaborative efforts of the CRWG, a number of those ideas have been developed into completed Resource Action Identification Forms.

The enclosed table has been updated to indicate whether a particular idea is currently represented by a completed RAIF. However, there remain several ideas for which a RAIF has not yet been completed; these appear in *italics*.

As agreed at our September 16, 2003 CRWG meeting, a copy of each completed RAIF is enclosed. Please review the collection of RAIFs in preparation for meaningful discussion at the October CRWG meeting.

The enclosed RAIF's bear a unique identification number (CRWG"X") in the upper right hand corner. Using this number, you will be able to locate each RAIF's entry on the enclosed CRWG Resource Action Matrix. This material, too, should be reviewed in advance of the October meeting.

For additional information, please call me at (916) 654-4422.

Sincerely,

Christina R.G. Acken, Senior Engineer, WR
